

**HR-30 USE OF ALCOHOL/NON-MEDICAL DRUGS
HUMAN RESOURCE SERVICES**

POLICY

Alcohol shall not be brought into or consumed on any of the College campuses or single-student residences, except for pre-authorized events. Non-medical drugs are prohibited in College premises, including all residences.

Unauthorized possession, consumption, or use of alcohol or non-medical drugs on College premises or during work hours, or reporting to work or classes under the influence of alcohol constitute misconduct. Violations of the policy shall result in progressive disciplinary measures, up to and including dismissal from the College, in the case of students and termination of employment, in the case of staff.
